Numismatist,

PHILADELPHIA, Pa.

Dear Sir:-

I have been informed that you have recently published a very extensive catalogue of the Jenks collection, in two volumes, one of descriptions, the other of illustrations.

Will you please be kind enough to send me both of these volumes at once, together with bill, including forwarding charges?

Furthermore, if the edition is not too limited, I believe that it would be advisable to send another set for the Collectors' Club.

Immediately on receipt of the set or sets, I shall send you a cheque in payment.

I desire to call your attention to the Year Book of the Society of Philatelic Americans, which I shall soon publish. This should be a good medium through which to advertise coins and coin sales, as there are many coin collectors in the society.

Very truly yours,

*C. S. Thompson*

# !! MR. ADVERTISER !!

Have YOU ever figured out how much it costs to mail 1500 Circulars? Fifteen Dollars for Postage, \$6 for Printing, \$4.50 for Envelopes, \$4.50 for Addressing: a total of \$30, if we estimate very conservatively. The actual cost would probably be much more.

## PUBLISH A FULL PAGE AD *in* *THE YEAR BOOK of the* *SOCIETY OF PHILATELIC AMERICANS* *1921 Edition    -:-    1500 Copies*

To do this will cost you only Ten Dollars. This is a clear saving of \$20 and *Your Ad Has a Permanent Value* that a Circular never has. *Waste Baskets Wax Fat on Circulars*, but ---
